THE CHANGING SHAPE OF FUN!

Back in 2001, when CDs ruled, dial-up tones echoed, and 8-bit snakes chased their tails — two brothers with big dreams set out to redefine fun. Hanif and Maheboob Siwani combined the thrill of bowling with the vibe of great food and community, creating an unforgettable destination: Amoeba.

As a cult favourite on Church Street, this playground was soon a go-to place for all ages, all moods, and every celebration. Countless high scores and millions of memories later, Amoeba is still evolving — bigger, brighter, and bolder than ever.

Fast forward to today, and Amoeba isn't just a place to roll a ball, it's where champions are made. As India's largest bowling company, we've proudly trained South India's top pro bowlers on lanes built to international standards.

With multiple screens, a fully stocked bar, and food that pairs perfectly with matches, Amoeba is now a bowling-first sports bar. Welcome to our latest chapter. Catch the game, grab a bite, bowl it out and let the good times roll.
